HAWAI'I HEART WALK CELEBRATION & HEALTH FEST

FREQUENTLY ASKED QUESTIONS

What is the 2026 Hawai'i Heart Walk Celebration & Health Fest?
Due to Hurricane Lala, the original 2026 Hawai'i Heart Walk was postponed to ensure the safety of our community.

While our plans changed, our mission remains steadfast. We're excited to welcome you to the 2026 Hawai'i Heart Walk Celebration & Health Fest as we come together to honor your impact, celebrate our shared commitment to heart health, and continue building a healthier Hawai'i.

What activites will there be?
Activities will include free blood pressure screenings, hands-only CPR practice, a yoga area led by local instructors, heart-healthy lifestyle resources, and more!

Will there be a walk?
Due to space limitations at the Hawai'i Convention Center, there **will not be a walk route** at the Celebration & Health Fest.

Instead, we invite participants and teams to complete their Heart Walk miles throughout the week leading up to the event.

Walk where it works for you: in your neighborhood, with coworkers, or alongside friends and family. Every mile counts.
