

#Heartwalking Activities

7:30AM - 8:00AM

This year we aren't just walking. We're #Heartwalking!

Before the walk begins, take part in the fun #Heartwalking activities throughout the village. What is #Heartwalking, you say? It's any burst of activity that gets the heart rate up. So get those heart rates pumping and be on the lookout for Heart Guy! He will be your guide. Be sure to take part in each #Heartwalking activity for a chance to win a prize.
