Have you or has someone you know made significant changes to their lifestyle? Perhaps they have started exercising or adapted healthy eating habits in an effort to lose weight or manage risk factors like high blood pressure or high cholesterol. We want to hear your inspiring stories so we can applaud these efforts and motivate others to make similar changes. No change is too small, and every accomplishment is significant!

Nominations for the Lifestyle Change Award can be submitted by friends, co-workers or relatives, and individuals can nominate themselves. A Lifestyle Change Award winner is celebrated monthly, and all winners will be recognized onstage at the 2017 Tampa Bay Heart Walk. Winners also receive a Jawbone fitness tracker, award, and certificate from the American Heart Association.

Please submit your nomination form in one of the following ways:
