To streamline the photo process, teams have been assigned a ten minute photo period. The team who has all its members present first will have their photo taken first. The second team will then have their photo taken. If no teams show up for their scheduled time, it will be first come first serve.

All company photos will be taken prior to the walk, or immediately following the walk. Photos will not be distributed the day of the walk. Digital copies will be emailed to the Company/Team Leader following the walk.

Heart and Stroke Survivors can come to the photo area at any time to take pictures.
