

2025 Charleston Heart Walk ROUTE MAP

**3 laps =
1 mile**

1. Enter the festival area through the main entrance to GoMart Ballpark, on Morris Street. Registration will be at the entrance when you first walk in. First Aid and AED will be located at registration. The bathrooms are located under the Suite Deck, west of registration about 14 ft.
2. The walk will begin northwest of Registration on the outer edge of the ballfield about 245 ft from registration.
3. Walkers will turn right and walk around ballfield moving east to the stairs about 378 feet.
4. Walkers will then walk down the stairs and turn right again, continuing along the gate moving southeast about 494 feet.
5. Walkers will take another right, walking west back to the corner where registration is located about 488 feet.
6. Walker will continue walking northwest to the finish line about 327 feet.
7. That concludes the route. Walkers typically complete the route three times, which equals approximately one mile.
