

# Dubuque Area Heart Walk “\_\_\_ is WHY” Signs 2018

There are moments in life we want to freeze in time. We live them. We live for them. What is life if we can't experience these moments of joy, wonder and happiness?

At the American Heart Association | American Stroke Association, we want you to experience more of life's precious moments. It's why we have made better heart and brain health our mission.

Isn't that why we are all walking on May 5th? To bring more precious moments? To remember those living with or lost to heart disease or stroke?

Signs such as the one shown below will be placed along the Heart Walk route to remind each of us of the many reasons WHY we have to live healthier, longer and happier.

*A \$25 donation will place your sign along the walk route at Heart Walk on May 5th!*
