## BIB PICK-UP

As a benefit to our teams, bibs will be bundled and available for pick-up by a staff person or messenger service at the time listed below. These bundles will include bibs for all registered participants on your team. T-shirts will not be in the bundles. T-shirts can be picked up individually on event day.

Please be sure to communicate to your employees in advance when and where their team bibs will be distributed. Avoid upsetting your employees who may go to individual Check-in only to find their bibs aren't there.
