# **2023 Hawai'i Heart Walk**

## **Kaua'i Route Map**

**August 5, 2023**

### **Parking & Directions**

Our morning walk will begin at our fairgrounds located near the Puakea Golf Course parking lot, accessible via the entrance on Nuhou Street. This year's event offers a 1-mile route along a section of the course. Walkers will start from the parking lot, head southbound on the cart path toward Nuhou Street, turn right towards Costco at the corner of Pikake and Nuhou streets, and proceed straight toward Nawiliwili Road. Walkers will then make a final right turn at the northernmost point of the course and head straight to return back to the fair and tent area for more fun!
