TOP TIPS FOR A WINNING CHALLENGE

Make your company's Move More Challenge a BIG success.

Recruit Walkers

Make sure all your coaches and walkers are recruited before the Move More Challenge begins and they have downloaded the Heart Walk app so their minutes count!

Set the Goal

Rack up the minutes with a company goal. The AHA recommends 150 minutes per week. Imagine how many hours of heart-healthy activity you can accomplish together!

Make a Match

Inspire your teams to move more with a company Movement Match, like \$1 for every hour of movement.

Spread the Word

Get everyone in the game! Teams can get healthier together AND stay connected.

Start at the Top

Sign up your CEO and other executives. If your company leaders are in, your employees are more likely to be in too.

Cheer Them On

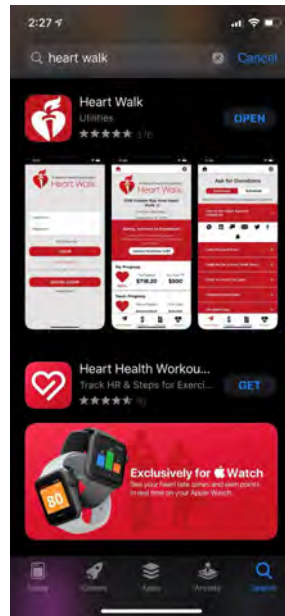

Send a weekly email to congratulate all your walkers and update them as your company climbs the leaderboard. (And watch everyone's competitive spirit come out!)
