

## WHY REALTORS® WITH HEART?

REALTORS® with Heart, generously sponsored by the Orlando Regional REALTOR® Foundation, is an elite group of leaders committed to building a world of longer, healthier lives for all. At the American Heart Association, we believe healthy employees are the heart of a healthy business and REALTORS® with Heart serves as the foundation for inspiring a culture of health and well-being in the workplace.

**As a REALTORS® with Heart member, you are helping advance the mission of the American Heart Association in your community and across the country in just four easy steps.**

**Join REALTORS® with Heart in 2024 to be a part of our second century of saving lives.**

June 10, 2024, marks 100 years of scientific discovery and innovation by the American Heart Association. Founded in Chicago by six cardiologists, the Association is now the nation's oldest and largest voluntary organization dedicated to fighting heart disease and stroke. Heart disease is the leading cause of death for men and women in the United States, and the cause of death for 3 out of 10 people in Orlando.

**During its second century of bold action, the Association is committed to advancing health and hope for everyone, everywhere.**

- **Goal of 100k**
- **Campaign dates: May 20th - July 1st**
