American Heart Association®

Heart Walk®

Chairperson's **Welcome**

Dear Walkers,

Welcome to the 2024 Greater Cleveland Heart Walk! For a century, the American Heart Association has been at the forefront of saving lives, driving scientific innovation and advocating for healthier communities. Thanks to supporters like you, the Heart Walk brings together friends, families, coworkers and neighbors to make a real difference.

9 out of 10 people who suffer cardiac arrest outside the hospital do not survive, often because bystander CPR was not performed. But we have the power to change that. Every step you take and every dollar you raise through Heart Walk will help train more people in lifesaving CPR, fund critical research and create more lifesaving moments.

So, as we walk, let's take a moment to reflect on the impact we're making. Every contribution is a step toward building a world of longer, healthier lives. This powerful fundraiser protects our loved ones from heart disease and stroke.

As the American Heart Association embarks on its second century of saving lives, let's unite to drive meaningful change in our community. Together, we can pave the way for a healthier future.

Let's walk with purpose. Let's walk to save lives.

Heart Walk®

Week of Wellness
September 23rd – 28th

MOVE MORE MONDAY – September 23rd

Get warmed up for Week of Wellness and [Stop Sitting](#) today with a binge break with our #MadeYouMove [Sofa Stretch](#), [Accent Chair Dips](#) or [Torso Twist](#).

EAT SMART: HEALTHY TIPS TUESDAY – September 24th

Cooking more meals at home gives everyone in the family an opportunity to build better eating habits, one plate at a time. Eat Smart with [healthier condiments](#) or [smart substitutions](#)!

BE WELL WEDNESDAY – September 25th

On our final Heart Walk Wednesday, take a short break in your day to be mindful, improve your mood, reduce stress and increase energy with a [guided meditation](#).

THANKFUL THURSDAY – September 26th

Gratitude is more than a buzzword. It's a habit that may change your sense of well-being. Take a moment today to call or text someone you are thankful for.

BEST FRIENDS FRIDAY – September 27th

Pets can help you reduce stress, boost mood, get more exercise and lower blood pressure & cholesterol (we've got [the science](#) to prove it)! Show us your best photo of you and your furry best friend on walk!

HEART WALK DAY – September 28th

Join us in The Flats East Bank for our Heart Walk celebration.

SCHEDULE OF EVENTS

8:30 a.m. – 10:00 a.m. – VIP Breakfast Celebration

- Available to qualifying Top Walkers and Teams at AlleyCat Oyster Bar

9:00 a.m. – Heart Walk Festival

- Rally your team members and enjoy the scenic views on the water and different photo opportunities.
- Turn in remaining Heart Walk donations
- [Know Your Numbers](#) with a complimentary blood pressure reading by **Cleveland Clinic**
- Learn the [2 steps of Hands-Only CPR](#), brought to you by **Equity Trust, Parker Hannifin, STERIS and Applied Industrial Technologies**
- Stop by the Kids Zone to experience interactive activities to keep your little ones entertained!
- Enjoy a complimentary hot coffee donated by **Starbucks**.
- Bring your 4-legged friends to the Pet Zone and learn how they can have a profound impact on heart health!

9:40 a.m. – Hands-Only CPR demo, led by Cleveland Clinic

9:55 a.m. – Group Stretch, led by Cleveland Clinic

10:00 a.m. – Program, led by WKYC Special Projects Reporter, Lindsay Buckingham

- Welcome remarks from important and passionate volunteers in our Cleveland community, a lifesaving CPR demo & celebration of our Heart Walk Hero, Bella Jordan!

10:15 a.m. – 1 and 3-mile Heart Walk

11:30 a.m. – Event Concludes

- Though our event is wrapped up, we invite you to visit area businesses and enjoy downtown CLE!

MEET OUR EMCEE – LINDSAY BUCKINHAM, WKYC STUDIOS

You can catch Lindsay on 3News providing hopeful and inspiring stories in her "Heartstrings" series. She has earned 17 Regional Emmy nominations and an Emmy Award for her "Heartstrings" reports. She has also earned Gracie and Edward R. Murrow Award nominations.

Lindsay is a Rocky River native and graduate of Rocky River High School. She obtained a journalism degree from Columbia College Chicago. After graduating from Columbia, Lindsay interned at WBBM-TV, working closely under award-winning investigative journalists, Dave Savini and Pam Zekman, for more than a year.

Lindsay is a long-time volunteer of the American Heart Association, and we are thrilled to have her return as the emcee of the 2024 Greater Cleveland Heart Walk!

CELEBRATE SURVIVORS

Heart disease and stroke survivors are at the HEART of our day! We encourage our survivors to stop by the Survivor Area to pick up your special hat and commemorative pin to show your triumph over heart disease or stroke. Tribute stickers will also be available for all participants to fill out and wear on your shirt to indicate who you are walking for.

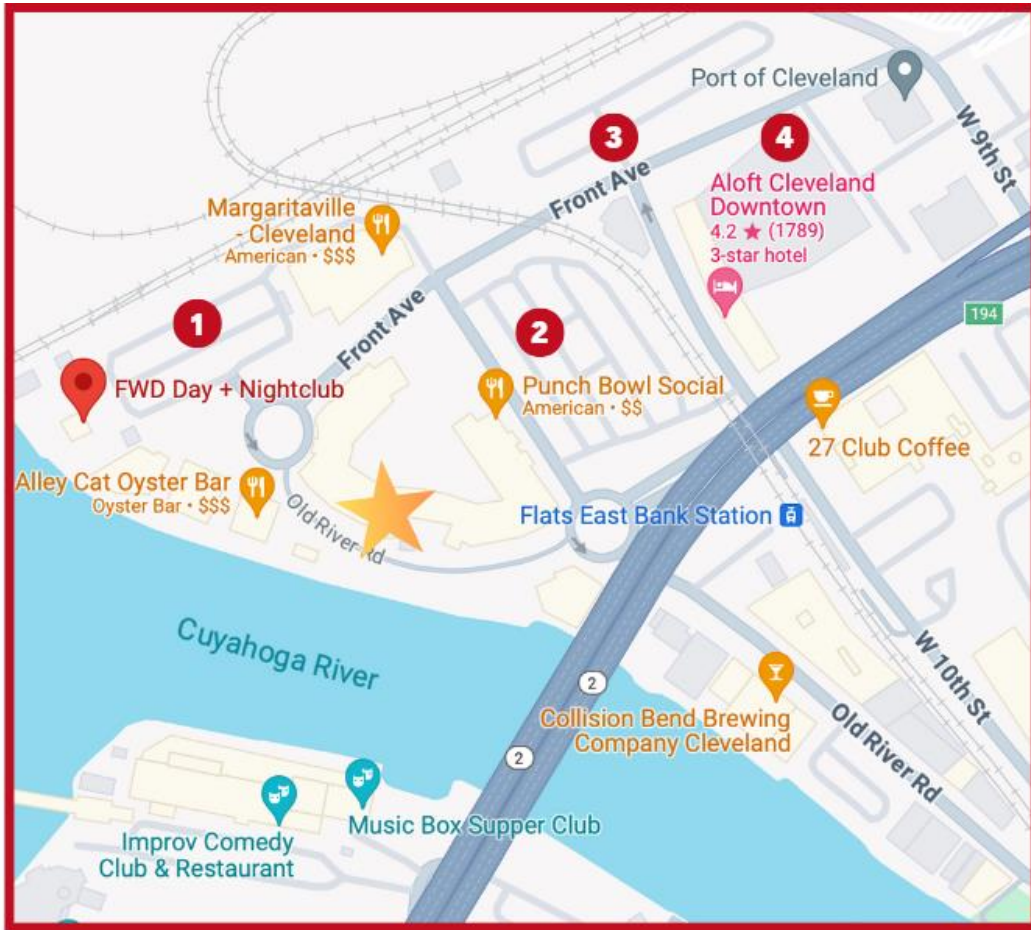

**For every care
in the community.**

We proudly support the
American Heart Association Heart Walk
and its commitment to being a
relentless force for a world of
longer, healthier lives.

Flats East Bank, located at [1146 Old River Road, Cleveland, OH 44113](https://www.google.com/maps/place/1146+Old+River+Road,+Cleveland,+OH+44113)

50 Years of
Service.

American Heart Association®

Heart Walk® Frequently Asked Questions

Should I register ahead of time? Absolutely! Registering online at www.heart.org/ClevelandWalk gives you access to all our great fundraising tools and keeps you updated on day of event info.

Can I participate in Heart Walk if I'm not on a team? Sure, you can walk and fundraise individually. Every donation will help create big science! But hey, since you're already on board, maybe consider starting a team and asking friends, family and coworkers to join you as a Heart Walk hero.

Is there an indoor option in case of rain? No, the Heart Walk will take place, rain or shine, outdoors.

Are kids and strollers allowed? Definitely! We do ask that you supervise your children when they are in the Kids Zone. Strollers are also permitted!

Will you have water? We promise to keep you hydrated! Bring your reuseable water bottle, as we will have a water provided by Kinetico Water Systems. We will also have bottled water available, generously donated by Giant Eagle.

Are pets allowed? Yes, but please know this is a family-friendly event. Non-aggressive, leashed pets are welcome at the event. Please clean up after your dog and make sure you stop by the Pet Zone!

Can I turn in money at the Heart Walk? You sure can! Stop by the American Heart Association tent outside of The Lakehouse. Otherwise, no check in needed, just lace up & show up to walk!

How are donations made? Donations can be made securely to your fundraising page with a credit card, PayPal, Venmo and more. Cash and checks (made payable to the American Heart Association) may also be collected. You can deposit checks directly through the [Heart Walk App](#)!

Will I receive a Heart Walk t-shirt? All walkers who raise \$100+ can redeem Heart Walk Hero Gear from our [Heart Walk Rewards Center](#) in your [Heart Walk Headquarters](#) and in the [Heart Walk App](#). There are so many cool options to choose, and the best part is they will be shipped directly to you after you redeem them. The Rewards Center is available through November 8, 2024.

Can I fundraise after Walk day? Of course! Who are we to stop you from achieving fundraising fame? You can fundraise online or submit cash and checks to your local [American Heart Association Representative](#) through December 1, 2024.

heart of goodness

Pleased to sponsor the Cleveland Heart Walk.

Heart Walk®

2024 HEART HERO

LOCALLY SPONSORED BY

In a period of just 24 hours, little Bella Jordan went from laughing and playing with her sisters, to fighting for her life in the hospital. It was unclear if Bella, who was just two months old at the time, would even be able to celebrate her first birthday. She received a life-saving heart transplant, giving her a second chance at life and allowing her to embrace a future her family once feared might be cut short.

This year, we walk for Bella. Watch her full story [here](#).

EARN AMERICAN HEART ASSOCIATION HEART HERO SWAG

Your fundraising not only makes you a relentless force for longer, healthier lives, it also earns you points in your personal Rewards Center — points you can redeem for Heart Hero Gear. It's our way of saying thanks and it's a great way to show your support for heart and brain health!

Log in to your [Heart Walk HQ](#) on your PC or HW App to visit the [Rewards Center](#). All prizes must be redeemed by November 8, 2024.

JO ANN HABLITZEL MEMORIAL RESEARCH

Jo Ann (Konieczny) Hablitzel was the youngest of seven children born to Polish immigrants in Oak Harbor, Ohio. She was very involved in school events, was an excellent student and went on to graduate from Bowling Green State University with a degree in Education. She married Charles Hablitzel, whom she met in high school, and they raised their four children in Oak Harbor.

Jo Ann taught middle school math in the Oak Harbor school system (Benton Carroll Salem) for nearly 30 years and she invested in her students both in and out of the classroom. She was a leader in her small-town community, teaching Sunday school and supporting local charities, as well enjoying nights with the girls in her card club! Jo Ann had a sense of humor, engaging personality and was always willing to help a neighbor. She also had a collection of angels throughout her home and believed they existed in Heaven and on Earth.

Jo Ann passed away suddenly at the age of 61 on July 28, 2002, due to complications following a mild heart attack. It was discovered that she was allergic to the blood thinner medication she received.

In her memory, Jo Ann's son Tom and his wife Jan established the Jo Ann Hablitzel Legacy Research Reception in Cleveland. This Research Reception is an opportunity for invitees to enjoy a behind-the-scenes look at how funds donated in support of the American Heart Association are helping to advance medical research and education right here in Northeast Ohio. Tom and Jan also established the Hablitzel Family Pre-Doctoral Fellowship in cardiovascular research, to help spark the career of an aspiring local researcher, lead to future innovations in the fight against heart diseases & stroke and hopefully prevent other families from losing their loved ones too early.

Quest® Cardiometabolic Center of Excellence™ at ClevelandHeartLab®

Working together for better health

With more people at risk for cardiovascular disease than ever before, the Quest® Cardiometabolic Center of Excellence™ at Cleveland HeartLab® advances a prevention-focused approach, specializing in prognostic and diagnostic testing for prevention, diagnosis, and management of heart disease and metabolic-associated conditions.

We foster innovation to detect cardiometabolic conditions in their early stages, enabling clinicians to develop intervention strategies to put those most at risk on a path to better health.
