2024 MORGANTOWN HEART WALK ROUTE MAP

1. Enter the festival area through the main entrance across from the parking lot. Registration will be at entrance.
2. The walk will begin south of registration on the track. Walkers will proceed Southeast about 189 feet and turn left moving north about 357 feet.
3. Walkers will then make another left northwest about 378 feet around the track. Walkers proceed and turn left moving south about 357 feet back to the finish line.
4. That concludes the route. Walkers typically complete the route four times, which equals approximately one mile.
