THINGS TO KNOW

DAY OF PARKING

There will be several lots available for parking surrounding the stadium, but we encourage you to carpool if possible as these will fill up quickly.

CONCOURSE ACCESS

Some Walk activities will be taking place on the stadium concourse. Please be aware that Geodis Park will have security on site scanning each attendee as they enter from the North Plaza into the concourse area. Transparent/plastic water bottles ONLY inside stadium.

CLEAR BAG POLICY

Geodis Park implements a clear bag policy for all major events. This policy limits the size and type of bags that may be brought into the stadium. Bags must be clear and not exceed 12" x 6" x 12" OR a small clutch no larger than 4.5" x 6.5".

DOGS WELCOME

As usual, we welcome your four-legged friends to join us for the walk. Geodis Park will require all dog owners to sign a waiver prior to dogs entering the concourse area inside the stadium. We will have our Top Dog station in the North Plaza near the entrance where you can complete this process and get some goodies for your pup!

VIP ACCESS (\$1K+ fundraisers and Survivors)

As always, we will be celebrating our Survivors and Top Walkers at this year's event. The VIP area in the WeHo Club will include an elevated event day experience (and maybe a few surprises).
