I am aware of the highly contagious nature of bacterial and viral diseases including the 2019 novel coronavirus disease (COVID-19), influenza and other infectious diseases (collectively, the "Disease") and the risk that I may be exposed to or contract the Disease by engaging in the event, which may result in serious illness, personal injury, disability, or death. I acknowledge that these risks may result from or be compounded by the actions, omissions, or negligence of individuals I am around or with whom I have contact. In consideration of being allowed to participate in this Event, I hereby expressly assume all risks, including personal injury and death, arising in any way out of my participation in the Event and any related activities and services offered at the Event in which I voluntarily participate.

I understand and agree that: it is my responsibility to dress appropriately. I am physically fit and able to participate in this Event and the related activities and services, and I agree to stop and request assistance if I experience any symptoms such as, but not limited to, dizziness, excessive fatigue, shortness of breath, pain or any other conditions that would make it difficult or unsafe to continue.

I agree, for myself, my heirs, executors and administrators, to not sue and to release, indemnify and hold harmless, the American Heart Association, Inc., its affiliates, officers, directors, volunteers and employees, and all sponsoring businesses and organizations and their agents and employees (collectively "AHA"), from any and all liability, claims, demands and causes of action whatsoever, arising directly or indirectly out of my participation in this Event and related activities and services — whether it results from the negligence of any of the above or from any other cause. IF THIS A TIMED EVENT, UNLESS I TELL AHA OTHERWISE, I UNDERSTAND THAT MY PERSONAL INFORMATION AND MY TIMED RESULTS MAY APPEAR IN CERTAIN PUBLIC PLATFORMS, INCLUDING ONLINE PLATFORMS. I agree that AHA may use and share personal information about me that I give AHA and that AHA collects through its websites, apps, social media sites, devices, as well as the information about me that AHA combines with that collected by others.

AHA uses and shares my personal information to fulfill AHA's mission to be a relentless force for a world of longer healthier lives, to notify me of donor opportunities and offer me products and services, to provide me with products or services that I request, and to improve AHA's programs and websites.
