ROUTE MAP

October 1st
Doors open at 9:00 am
Walk starts at 11:00 am

3 mile Route

Participants will start the race at the arch located in the back parking lot of Victory Field closest to West Washington Street. When participants reach the intersection of N. White River Parkway and West New York they will run eastbound in the eastbound lane in the conned off lane there until they cross the bridge and reach the White River Running Trail. They will turn right and proceed south east on that trail until the reach the canal in White River State Park. They will then be directed westbound across the Old Washington Street Bridge until they reach the Zoo. They will then turn left and proceed southbound on the White River Trail until they reach S. White River Parkway where they will be directed right towards W. Washington Street. They will then cross W. Washington Street and proceed to turn left into the middle eastbound lane of W. Washington Street which they will stay in until they reach Victory Field and they proceed back through the arch in the back parking lot.

1 mile Route

will take place inside of Victory Field Stadium. Start line will be near 3rd base gate. Three laps around the concourse. The official finish line will be located right outside the 3rd base gate coming up entrance from Washington st. and they will proceed through the arch.
