

2024 HUNTINGTON HEART WALK

ROUTE MAP

1. Enter the park through the main entrance on 12th Street to park inside park (walk south to Registration) or enter the festival area from 13th Avenue at fountain area (walk East to Registration).
2. The walk will begin on the southside of the fountain area. Walkers will proceed moving south on the sidewalk along 13th Avenue approximately 917 feet. Walkers will continue on the sidewalk that surrounds the park throughout walk.
3. Walkers will then turn left at 8th Street moving East about 287 feet. Walkers will proceed and turn left and moving a short length northeast across North Boulevard approximately 178 feet.
4. Walkers will turn left moving north along Fourpole Creek toward 12th Street approximately 1971 feet. Once walkers are at 12th Street, they will proceed on the sidewalk across a bridge moving west.
5. Walkers will stay on 12th street, crossing the road at the park's entrance and continue west approximately 753 feet. Walkers will turn left at 13th Avenue moving south towards the finish line approximately 1060 feet.
6. That concludes the route. Walkers typically complete the route three times, which equals approximately 1 mile.
