Sneaker Drive! Get our kids moving!

Let's make sure every child has what they need to be physically active!

Too many of our Syracuse City School students don't have the right shoes for physical activity. How can we expect them to get the recommended 60 minutes per day of moderate-to-vigorous intensity activity, if they can't afford or have access to proper shoe wear?

What can you do about it?

Donate new or gently-used sneakers!

All sizes welcome, child sizes encouraged!

Collected until April 30, 2023..

Shoes will be distributed between now and June to Syracuse City School District students at:

Dr. Weeks Elementary School

H. W. Smith Pre-K-8 School

Van Duyn Elementary School

McKinley-Brighton Elementary School

Franklin Elementary School

Porter Elementary School

Seymour Dual Language Academy

and possibly others, based upon amount collected.

Sneakers can be gently used, but should be clean, without damage or holes. Please knot them together.

Bring your donations to the Syracuse Heart Walk!

Sunday, April 16th at 10 am at the SRC Arena at Onondaga Community College
