

How to Donate through Venmo

- 1) Using your mobile device, go to the Heart Walk website you wish to donate to
- 2) Now you'll scroll down until you see the red Donate button. It's right between the Date & Time section and the Goal/Progress section
- 3) After you've selected Donate, it will ask you to search for either a participant or team to donate to.
- 4) After you've searched, you will then need to open that participant or team page
- 5) On that page, you will then select Donate to This Team
- 6) A small drop-down list will now appear, and from there you will select your payment method.
- 7) Select Venmo
- 8) Enter in all your information: Donation amount, Name, Email, Address
- 9) Then click on the Venmo button
- 10) A pop up will appear asking you to Continue to Venmo
- 11) You will now need to Authorize this payment ← once you authorize this transaction it will process
- 12) Now you've donated! You will receive a receipt from the American Heart Association, and your Venmo app will track this transaction
