## SAVE THE DATE FAMILY EMAIL (ALL SCHOOL COMMUNICATION):

Subject: American Heart Challenge is Coming

{School} Families,

Get ready for the American Heart Association's American Heart Challenge (AHC), kicking off on {insert date}.

**Please register today, under our school, at [heart.org/AHC](http://heart.org/AHC).**

By participating in the American Heart Challenge students can raise awareness and funds for congenital heart defects, nutrition security, CPR training, mental well-being, and more as we work to end heart disease and stroke. Along the way students will meet some of the kids they're helping while learning about mind and body health.

Once you've registered, start Finn's Mission and complete the challenges. As a family you can help to create a community of lifesavers by learning the lifesaving steps of Hands-Only CPR. It's quick, easy, and fun! Learn more about Finn and his special challenge [HERE](#).

Thank you for keeping hearts everywhere beating strong!
