The American Heart Association is working with high school students in a nationwide movement to finally and forever change the course of heart disease, stroke and congenital heart defects.

The American Heart Challenge Creates:
- Leadership development opportunities
- Community service hours
- Experience for college applications
- A positive cultural experience
- Physically & emotionally well-rounded students
- Community minded students

Eligibility:
- Must be a current high school junior or senior
- Demonstrate leadership skills at your school’s American Heart Challenge event
- Have a passion for impacting the health of your community
- A letter of support by your American Heart Challenge advisor
