Participant

Kids Heart Challenge
Mobile App

Check your goals, see what gifts you’ve earned, email donors, play games, and watch the Heart Heroes come to life all with this handy mobile app.

1 Download the app.

With your parent’s permission, search “Kids Heart Challenge” in your app store. Then use your username and password to log in. (No username and password? Click either “Forgot Password?” or “Register for Event” if you haven’t set a username and password yet.)

2 Explore all you can do.

Show your fundraising progress.

The icons at the bottom of the screen will guide you to lots of options for raising funds and communicating with donors.

Choose messages to send to your supporters via email, social media, or text message. (Always get your parent’s permission before using any social media.)

Keep track of funds you’ve raised.

Edit your personal fundraising page and then share the page, upload an image, or view the page.

Manage your account preferences.

With your parent’s permission, schedule posts with updates on your fundraising totals. Send e-cards to share news about the Kids Heart Challenge. The more you communicate with your donors, the quicker you’ll reach your goal and spread heart happiness. Good luck!

3 Bring your Heroes to life.

Enter the Heart ARcade.

Use your phone’s camera to bring your Heart Heroes to life, play games and view videos on your favorite characters.

Create your own avatar.

Interact with the AR mask.

Play games with your Heart Heroes.

Color your Heart Hero and watch them come to life.

What else can you scan?

Try your sticker, envelope, wristband, keychain, and t-shirt. Your Heart Heroes will dance, jump and play.
