

# Grant Opportunity

The American Heart Association supports the health and well-being of our nation's students. That's why we're awarding grants to educators as part of the Kids Heart Challenge™ and American Heart Challenge™.

## CRITERIA:

- Schools must participate in the Kids Heart Challenge or American Heart Challenge.
- There's no minimum requirement for dollars raised.
- Submit one application per school for each grant schedule.
- Principal must approve grant submission.

## ELIGIBLE ACTIVITIES:

- Current and new programs connected to physical activity, health promotion, dance and music during and after school
- Physical Activity equipment and resources
- Technology related to physical activity and wellness
- Playground or recreation space improvement
- Classroom enrichment related to physical activity and wellness
- Cafeteria or school kitchen improvement equipment and resources
- Water filling stations and/or safe water access improvement
- Social and emotional/counseling resources
- Music and dance resources and equipment
- Staff wellness resources

## AWARDS WILL BE BASED ON A RUBRIC CRITERIA:

- Clear measurable project goals that relate to improving the health or well-being of students and/or staff
- Demonstrated need of school and students
- Intended impact on health or well-being of the staff or students
- Identified measures for evaluating success
- Sustainability for lasting impact

Range of gifts:  
up to **\$2,500**

Easy Online Form

## Check out some of our early grant winners.

**PE Teacher Megan Griffin,  
Environmental Charter School,  
Pittsburgh, Pennsylvania**

- “Receiving this grant allows me to immediately implement a variety of activity units and creates a unified program for K-5 students. It also allows me to continue to reach kids who may not enjoy or excel in traditional sports.”
- “This grant came at THE perfect time and was easy to apply for online.”

**Crivitz Elementary/Middle, Crivitz, Wisconsin**

- “Students are getting more active through playground improvements, equipment and creating disability access.”

**Jose De Escandon Elementary, Mission, Texas**

- “Our grant is helping to renovate and improve existing playground structures.”

**Sandpiper Shores Elementary,  
Boca Raton, Florida**

- “Our Kids Heart Challenge grant is purchasing a new water bottle refilling station, teaching our students sustainability!”

**Kennedy Elementary, Pierre, South Dakota**

- “We’re supporting students and staff by using our grant for fitness-based equipment at new fitness stations.”
