## IDENTIFY EQUIPMENT NEEDED:

### Megaphone/ Microphone:

The emcee will give the welcome message, make announcements and conclude the event.

### Music:

Search Spotify for the American Heart Association's channel for playlists. You can even have a student DJ the event!

### Equipment:

Basketballs and basketball hoops are common equipment.

### Volunteers:

Depending on event format, volunteers may need whistles, stopwatches, and/or scorecards.

**Tip:** Consider awarding bonus points for teams based on which team has fundraised the most.
