FIELD DAY GAMES GUIDE
WHAT IS FIELD DAY?

Field Day will become a highly anticipated tradition where teams compete for the ultimate bragging rights – winning 1st place by saving lives.

Students will form teams of 10 and participate in fun physical and mental challenges while raising money for the American Heart Association.

HOW DOES IT WORK?

- Recommend that the event is held on a weekday afternoon or evening.
- 10 members per team - $25 per person registration (+ fundraising). You may want to consider setting a cap for the number of teams, based on space and equipment. The first teams to reach $250 secure a spot in the games.
- Event day features 6-7 games – including the fundraising competition, that happens leading up to the actual event.
- Each team is responsible for securing two team volunteers.

KEY PLAYERS:

**TEAM CAPTAIN/CO-CAPTAIN**
1. Recruits a team of 10 students to participate in the games, along with two team volunteers.
2. Creates team fundraising goal and fundraising plan, and ensures all students are registered online at heart.org/AHC.
3. Assigns team members to specific games ahead of time.

**TEAM VOLUNTEERS**
1. Keeps score of each game, turns in score sheet immediately after each game.
2. Helps to enforce game rules and reset equipment to ensure the games run smoothly.

**EVENT COORDINATORS**
1. Briefs volunteers and team captains, makes announcements, rotates teams, opens and closes the event announcing the winning team.
2. Master Scorekeeper - Assign someone that each team volunteer is bringing their score sheet to after each game, who is keeping a running score throughout the event.

YOUR PASSION IS ABOUT TO PAY OFF AND YOU’RE GOING TO HELP SAVE LIVES! THIS IS JUST AN EXAMPLE OF WHAT YOUR EVENT CAN LOOK LIKE. MAKE THE EVENT YOUR OWN!
**FUNDRAISING CHALLENGE POINTS:**

- Set a minimum team fundraising amount to earn points. Recommended amount: $500
- Tally the fundraising points the day BEFORE your Field Day event!
- 1st place fundraising team earns 6 bonus points.
- 2nd place fundraising team earns 4 bonus points.
- 3rd place fundraising team earns 2 bonus points.

**OPTIONAL IDEAS:**

- Have grade levels compete against each other, like juniors versus seniors and freshman versus sophomores.
- Have a contest for the best team outfits or a best cheer contest.

**REMEMBER, THE DOLLARS YOU RAISE TODAY COULD SAVE THE LIFE OF SOMEONE YOU KNOW TOMORROW!**
