# HOW TO REGISTER ONLINE

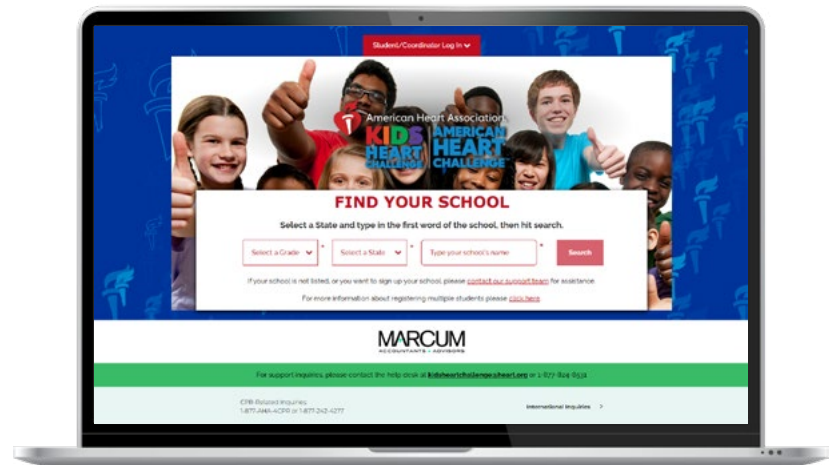

**1.**

## FIND YOUR SCHOOL & SIGN UP!

Go to [heart.org/Schools](https://heart.org/Schools) or search "AHA Schools" in your app store to download the app.

Select grade and state, then type in your school name.

When you see your school, click "Sign Up" under your school's listing.

**2.**

## GET STARTED

Select "Yes, Log In" if you participated last year. Select "No, I'm New" to get started and register.

**Yes, Log In**

**No, I'm New**

If you forgot your username or password, go ahead and click "Yes, Log In" and then "Forgot Username or Password."

You can use the same email if you have multiple students participating in American Heart Challenge or Kids Heart Challenge but each will require a unique username and password.

**3.**

## COMPLETE YOUR PROFILE & SET A GOAL!

Answer a few questions and be sure to provide your T-shirt size (earned if you raise \$50+). Please read and agree to the consent section.

**Set a fundraising goal and make a personal donation to kick things off!**

**4.**

## PERSONALIZE YOUR PAGE!

Personalize your page by adding photos and sharing why heart health is important to you and your family.

Get started on Finn's Mission by sending texts or emails to ask for donations.

If you added your own donation during the page setup process, a screen asking for payment information will appear.

**Thank you for helping save lives!**
