

HOMEWORK WITH HEART

DEAR PARENT OR GUARDIAN,

Registration is now open! Our community counts on lifesavers like you. Please sign your student up for our **Kids Heart Challenge** so they can learn how to keep their hearts and brains healthy while raising funds to help kids with special hearts. By completing **Finn's Mission**, they'll also learn about the lifesaving skill of **Hands-Only CPR** and how to recognize a stroke.

LEARN HANDS-ONLY CPR IN FINN'S MISSION

Born with multiple heart defects, Finn spent the first eight months of his life in the hospital. This energetic third-grader, who has had more than 18 medical procedures, loves educating others about heart health and helping kids with special hearts.

EXPLORE YOUR HEART HERO HEADQUARTERS

- 1 Complete **Finn's Mission**. Learn the lifesaving skill of **Hands-Only CPR** and how to recognize a stroke.
- 2 **Personal Fundraising Page**. Parents/Guardians and students can upload a photo, personal greeting and more.
- 3 **Track Your Goals**. See how much money you've raised and how close you and your school are to reaching your goals.
- 4 **Badges**. Check out which badges you've earned.

For nearly 100 years, the American Heart Association has been fighting heart disease and stroke, helping families and communities live happier, healthier and longer lives.
