

LIFESAVERS LEAGUE

RESCUE

HANDS-ONLY CPR

Rescue is always ready to come to the aid of anyone in trouble. By learning Hands-Only CPR, you and your friends can be ready to save a life!

VICTOR

BE A LEADER

Victor leads by example, practicing healthy habits like moving more, sleeping well, eating smart, choosing water, being kind, avoiding vaping and learning Hands-Only CPR. Victor inspires others to be their very best by practicing healthy habits too!

RIVER

CHOOSE WATER

River reminds us to choose cool, clear water over sugary drinks. It's good for your muscles, your joints and even your memory!

BEET

EAT SMART

Beet knows the best way to fuel your body is by adding color to your plate. Eat a rainbow of fruits and veggies every day!

ZEE

SLEEP MORE

Zee knows that if you don't snooze, you lose! Get 9 - 12 hours of sleep each night so you can feel your best — and help your body fight off germs that can make you sick.

PARKER

BE KIND

Parker is the kind of dog who is kind to everyone. Being kind to others not only makes others feel better, but you will feel better too!

ASPEN

AVOID VAPING & TOBACCO

Aspen loves nothing more than taking a deep breath of clean air. Avoid vaping and tobacco so your lungs can stay strong and you can breathe it all in!

TURBO

MOVE MORE

Turbo's here to help you get moving! Do something active every day — you'll feel happier, sleep better and even have more energy (a turbo boost)!
