American Heart Association®
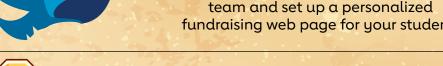

KIDS HEART CHALLENGE™

PARTICIPANT & PARENT/GUARDIAN

HOW TO REGISTER ONLINE

Register today to join your school's team and set up a personalized fundraising web page for your student.

---

1 FIND YOUR STUDENT'S SCHOOL & SIGN UP!

Go to **heart.org/KHC** or search **"Kids Heart Challenge"** in your app store to download the app.

GET IT ON Google Play   Download on the App Store

Select your state, then type in your student's school name.

When you see your student's school, click **"Sign Up"** under your school's listing.

---

2 LOG IN   [Yes, Log In]   [No, I'm New ›]

Select **"Yes, Log In"** if your student participated last year. Select **"No, I'm New"** to get started and register.

If you forgot your username or password, go ahead and click **"Yes, Log In"** and then **"Forgot Username or Password."** You can use the same email if you have multiple students participating in KHC but each will require a login.

---

3 SET A GOAL

Set a fundraising goal and make a personal donation to kick things off.

---

4 COMPLETE YOUR PROFILE

Answer a few questions and be sure to provide your student's T-shirt size (earned if they raise $50+).

Please read and agree to the **Parental Consent** section.

---

5 UPDATE YOUR PAGE   [📷 Edit Photo]   [✏️ Edit Story]

Personalize your student's page by adding photos and sharing why heart health is important to your family.

Send emails to ask for donations and watch your student reach their goal.

If you added your own donation during the page setup process, a screen asking for payment information will appear.

Thank you for helping save lives!
