From The Chair

Welcome to the American Heart Association's Go Red for Women Luncheon.

It is truly an honor to serve as the 2026 Go Red for Women Chair as we celebrate the 22nd year of Go Red for Women in our community. This cause is deeply personal to me, and I am especially grateful that it also marks my 10th year as a member of the Circle of Red, alongside so many passionate advocates and supporters.

Today is about more than a luncheon — it is about saving lives, raising awareness, and empowering women to take charge of their heart health. Every story shared, every dollar raised, and every person in this room helps make a lasting impact for women and families across Mississippi.

I would like to extend my heartfelt thanks to our incredible supporters who make this event possible. To my Executive Leadership Team, thank you for your encouragement, partnership, and unwavering support of this mission. To the dedicated American Heart Association staff, thank you for your tireless work, leadership, and commitment throughout the year. And to our generous corporate sponsors, thank you for investing in the health and future of women in our communities.

Most importantly, thank you to each attendee for being here today and for believing in the mission of the American Heart Association. Together, we are making a difference.

With gratitude,

Pam Gordon

FAMILY – THE VALUE THAT DRIVES US

It's not simply about the cars.
It's about the people who have made
the last 80 years worth celebrating.

Thank you, Mississippi.

It has been an honor to serve generations of your families throughout the past 80 years. Together with our employees, we strive daily to be a place where our friends and neighbors desire to do business. Having a long past is no guarantee for the future. Our future is determined by what we do today in the way we interact with each other and how we interact with you. We are extremely thankful for the support we have received over all these many years. We continue to seek to earn your support.
