From the Chair

Dear friends of heart,

Welcome to the annual Charleston Heart Ball! I am honored to support the American Heart Association by serving as the 2026 Heart Ball chair. It is so vital to continue this fight and support the mission of the American Heart Association, and the Heart Ball is a fun and exciting way to celebrate the success of our year-round work in championing health equity and making a difference.

Heart disease remains the No. 1 killer of Americans and stroke the No. 4 killer. We know that our support of the American Heart Association's ongoing initiatives help ensure that families enjoy more years, more holidays, and more precious moments together. Through the American Heart Association community of networks, researchers are working to find solutions more quickly, and the discovery of new medicines and procedures to save and improve lives is accelerating.

For more than 100 years, the American Heart Association has been fighting heart disease and stroke, striving to save and improve lives. Imagine a world where everyone who battles heart disease and stroke is given the gift of a healthier, more fulfilling life.

We sincerely thank you for your support of the 2026 Heart Ball. You are making a difference, and you are an integral part of the mission of the American Heart Association – to be a relentless force for a world of longer, healthier lives.

With heart,

Dr. Anne Kroman

From the Heart

Dear Friend of Heart,

Welcome to this extraordinary celebration of impact and progress. Tonight, we gather not simply for an event, but to honor what you have made possible. This is a moment to reflect on a year of bold action, shared purpose and life-changing work, all powered by your commitment to the mission of the American Heart Association.

For more than a century, the American Heart Association has led the fight for longer, healthier lives. But the real story is what happens when passionate people like each of you join forces. Together, we've advanced science, shaped policy, and opened doors to better health for countless families in our community. Every milestone we celebrate tonight is a testament to your generosity and determination.

This evening is about celebrating the difference you've made over the last year. You are the heartbeat of our mission, and because of you, lives have been saved, hope has been restored, and a healthier future is within reach.

Thank you for standing with us, for giving so generously, and for believing in what's possible when we work together. Here's to the incredible progress we've achieved, and to the even greater impact we will create in the years ahead.

Enjoy this celebration!

Gratefully yours,

Auction Rules

Bidder numbers are issued in advance. Once assigned a number, each bidder is responsible for the use of the number throughout the evening. Bidders must be at least 18 years of age to participate in the live or silent auction.

Timeline: The Silent Auction closes at 8:00 p.m. Announcements will be made 10, 5, and 1 minute before bidding closes. Check-Out will begin approximately one-half hour after the conclusion of program. The Auction Committee reserves the right to lower the minimum bids and change closing times.

Live Auction: Items will be on display in the auction area for viewing. The Live Auction will begin after dinner and will continue until all items have been auctioned. To bid on any item during the Live Auction, raise your bidder paddle. Only those bids recognized by the Auctioneer will be considered a valid bid. The winning bidder must give name and bid number to one of the Live Auction assistants, which will then be recorded with the item and amount bid, and transmitted to the Auction officials for processing.

Payment & Receipt of Items: All purchases must be paid for in full by the end of the evening of the Heart Ball. If you did not sign-up for Express Check-Out, payment may be made by cash, check or credit card at Check-Out. After payment is made, a receipt will be issued by the cashier. This receipt serves as a record of your purchases and potential tax deductions. Any sold items that are not taken home the night of the event must be picked up from the American Heart Association (AHA) office by the end of March. After that time, the AHA reserves the right to pass to another bidder.

Fair Market Value: All values listed are either the donor's estimate or the appraised value. Any amount you pay in excess of the fair market value would normally be available to you as a charitable contribution for tax purposes. Please check with your tax advisor for specifics.

Disclaimer: All goods & services (items) have been donated to the AHA by the person or company listed on each item. All items are subject to the terms and conditions specified by the donors. By purchase, the buyer waives any claim for liability against either the AHA or the donor of the item. The AHA makes no warranty as to item performance or safety. The AHA has attempted to describe the item and provide all details given. Every item is sold "as is" without recourse. All sales are final. The AHA will not refund any amounts paid for these items. No exchanges or refunds are permitted. Please read descriptions carefully as some items have certain specifications, limitations and/or blackout dates. Unless otherwise specified, all items must be used within one year of the Heart Ball. Unless specified, dates/times are to be arranged at the mutual convenience of the donor and buyer. It will be the buyer's responsibility to contact the donor to arrange for services or delivery, unless otherwise specified. All resort and private vacation homes are offered to adults and minors accompanied by adults.
