FROM NASHVILLE

Good evening neighbors!

The Middle Tennessee Heart Gala marks a moment in time to reflect, honor and celebrate the progress made through discovery of groundbreaking research, advancements in health equity, local, state and federal advocacy efforts and equipping communities with lifesaving knowledge.

As we spring into our second century, we celebrate the advancements that have transformed heart health while embracing a future filled with hope, innovation and relentless dedication.

Thank you for the incredible impact you've made on the health of our community.

We continue to have one of the most impactful years to date. Locally we've reached more than one million people across Middle Tennessee through sustainable policy and system changes. Together we placed 20 new blood pressure check stations throughout the community, passed local smoke-free polices, implemented emergency response and Hands-Only CPR protocols, addressed nutrition insecurity through heart healthy food clinics, funded over \$4 million in local research and so much more.

Our mission is far from over. After over a century of driving life-saving innovations, we're ready to tackle the next big health challenges.

From the ballroom to bringing innovative research to life, from the dance floor to driving equitable health for all, everything we do is made possible by those who support the Middle Tennessee Heart Gala.

Tonight we celebrate all we have accomplished and set the bar even higher for 2025.

Cheers!

Annie Thornhill

Executive Director

American Heart Association, Nashville

FROM THE HEART

Dear Friend of Heart,

With profound gratitude and heartfelt thanks, welcome to the 2025 Middle TN Heart Gala. Tonight, we come together to celebrate a remarkable year of hard work while reflecting, honoring and celebrating the progress made through the determination, dedication and passion of all who support our mission.

This event holds deep significance, as the American Heart Association has been at the forefront of the fight for longer, healthier lives for over 100 years. Alongside you, our cherished family of volunteers, donors, and advocates, we have driven breakthroughs in science, policy, and care. Together, we continue to advance health and transform lives every day.

Tonight, we celebrate our shared dedication to saving and improving lives within this community over the past year. I extend my deepest thanks to you for your presence and for your steadfast, generous support of our community. Congratulations on a remarkable year. With anticipation, I look forward to countless achievements as we enter our second century of transformative impact.

Enjoy the celebration!

Gratefully yours,

Jeremy Beauchamp
Executive Vice President
American Heart Association, Southeast

FROM THE CHAIRPERSON

Hello and welcome to the 51st Annual Middle Tennessee Heart Gala! It is my honor to serve as Chair for this year's event, and I am thrilled to join you in celebrating over a century of lifesaving work in our community.

For 51 years, the Middle Tennessee Heart Gala has been a cornerstone in uniting passionate individuals and organizations to advance the mission of the American Heart Association. Together, we've worked tirelessly to create a world where heart health is equitable for all.

Heart disease and stroke remain the leading causes of death across our communities, and the need for advancing hope and health has never been greater. Thanks to the unwavering commitment of supporters like you, the American Heart Association continues to drive groundbreaking research, transformative education, and critical policy change to save lives - reaching over 1 million people in Middle TN in 2024 alone!

Tonight, we gather not only to celebrate this impactful work but also to inspire continued progress. Your generosity and dedication make all the difference as we strive to raise \$1.7M this year. Each dollar raised, each story shared, and each connection made brings us closer to a healthier future for Middle Tennessee and beyond.

On behalf of the American Heart Association, HCA TriStar and my family, thank you for being here and being part of this critical mission I am so grateful for your support and inspired by the hope and change we are creating together.

Enjoy this special evening and know that you are making an impact that will continue through generations.

With heartfelt gratitude,

Mitch Edgeworth

William T. Coakley Award

The William T. Coakley Award honors the legacy of Bill Coakley, inspiring volunteerism, selfless giving, and creating lasting impact throughout Middle Tennessee. It is awarded to those embody the American Heart Association's mission to be a relentless force for a world of longer, healthier lives.

Coakley's quiet acts of generosity and steadfast commitment to others left a lasting impact on his community. Deeply inspired by personal experience, he devoted himself to the mission of the American Heart Association.

As a family man, his selfless actions continue to inspire others to follow in his footsteps. His wife Kim and his family have carried forward his legacy and remained champions for the mission.

This award not only honors his remarkable legacy but those who carry it forward.

Past Award Recipients

2014 Marion Pickering Couch
2015 The Honorable & Mrs. Winfield Dunn
2016 Holly Love Walsh
2017 Judy M. Foster
2018 Sharalena & Dick Miller

2019 Becky & Dick Cowart
2020 Laurie & Jim Seabury
2022 Sheila Shields & the late Nelson Shields
2023 Dr. Katherine Y. Brown
2024 Dr. C. Wright Pinson

William T. Coakley Award Recipients

For decades, Dr. Herman Williams and Jeannie Williams have been tireless advocates for the American Heart Association, demonstrating a relentless commitment to its mission. In 2019, they co-chaired the Heart Gala, rallying support and raising hundreds of thousands of dollars to fuel critical research and programs. As President of the Greater Nashville board of directors, Dr. Williams championed initiatives to address public health challenges and advocated for meaningful policy and systems changes.

Now serving as an inaugural Cor Vitae Ambassadors, they are helping to redefine what it means to engage with the Association at the highest levels, building stronger connections and inspiring others to make a difference.

The Williams steadfast dedication, deep personal connection to the mission and ability to motivate others exemplify the values celebrated by the William T. Coakley Award. Their history of service, built on compassion and purpose, inspires others to follow in their footsteps and carry forward the mission.

LEADERS OF IMPACT™

Congratulations

Charlie Toney

2024-2025

Leaders of Impact Winner

“The American Heart Association has been advancing health equity and heart health for more than a century. I’m just grateful to have the opportunity to help shine a light on all of the amazing work they do and continue to do,” said Toney. “I want to express my deepest gratitude to everyone who supported this campaign. Your contribution is making a tremendous difference in our mission to fight heart disease and stroke in middle Tennessee.”

Over the course of seven weeks, Toney participated in a fundraising competition alongside five other Middle Tennessee professionals. Toney was named the 2024 Leaders of Impact winner after raising the most funds for the American Heart Association mission.

Thank you to our past Heart Gala Leadership!

MIDDLE TENNESSEE PULSE BOARD

The PULSE Board is a dynamic group of approximately 30 young professionals from diverse industries dedicated to making an impact in our community. Members enjoy unique leadership opportunities, networking, and the chance to contribute to meaningful initiatives. The board meets quarterly in person and virtually 3-4 times a year to collaborate on events and projects.

Interested in learning more about our PULSE Board and how to get involved? Simply scan the QR code and join us in making an impact!

COR VITAE

The Cor Vitae Society – Latin for heart of life – is the annual philanthropic giving society of the American Heart Association. The Cor Vitae Society celebrates individuals making a lifesaving impact in communities across the country.

An exceptional community of individuals, Cor Vitae Society members are united by a determination to ease the burden of cardiovascular diseases and stroke. Our goal is to nationally and locally provide meaningful experiences to recognize and engage such distinguished and generous support.

Hannah Ellis

Curb Records recording artist and country music singer/songwriter Hannah Ellis' journey — and world — is one all can feel at home in. The Campbellsville, Kentucky-native's voice — a mix of favorite flannel, sparkling pink wine and welcome — is the friend we always wanted. Whether pouring from a car radio or your phone, the act named to Rolling Stone Country's "Artist To Watch" list reminds you big leaps often come as a series of small steps when no one is looking. Having paid for her University of Kentucky degree with her full-ride scholarship, she — with the full support of her family — started chasing her dreams. Like so many, that meant a self-financed EP, and moving to Nashville to begin the endless rounds of writers nights, meetings, making friends, and trying to find your way. Hannah paid her dues, kept her focus and kept moving toward something she was sure she felt and knew was right. The fresh-faced songwriter, who has 45 million career streams, has since written songs recorded by artists, and been featured as a vocalist on songs, spanning multiple genres, including: Russell Dickerson, Carly Pearce, FOR KING + COUNTRY, Emily Weisband, Cassadee Pope, FILMORE, and Sidewalk Prophets. The magnetic artist, who has appeared on the Grand Ole Opry multiple times since making her debut, has toured with Carly Pearce, Billy Currington, Gavin DeGraw, Dwight Yoakam, Devin Dawson, and many others, and has toured as part of the CMT "Next Women of Country" Tour. Ellis was invited back by her college alma mater to be featured in a national television advertising campaign about pursuing and achieving your dreams. Hannah is one of the "CMT LISTEN UP" artists to watch for 2023. Earlier this year, Hannah released her debut album, *That Girl*, which contains notable singles such as "Wine Country," "Too Much and Not Enough," "Country Can," "Home and a Hometown," and more. Recently, Hannah dropped two brand new singles, "Once" and "'90s Country," with more new music on the way. You can listen to Hannah's music on all streaming platforms.

We look forward to seeing you next year!

DRIVING COMMUNITY IMPACT

As an organization, our community impact priorities are delivered in various ways. Although here at the local level we have a greater focus on nutrition security, our organizational priorities expand to many other categories with equity always at the center of our work, guiding all that we do.

2028 IMPACT GOAL

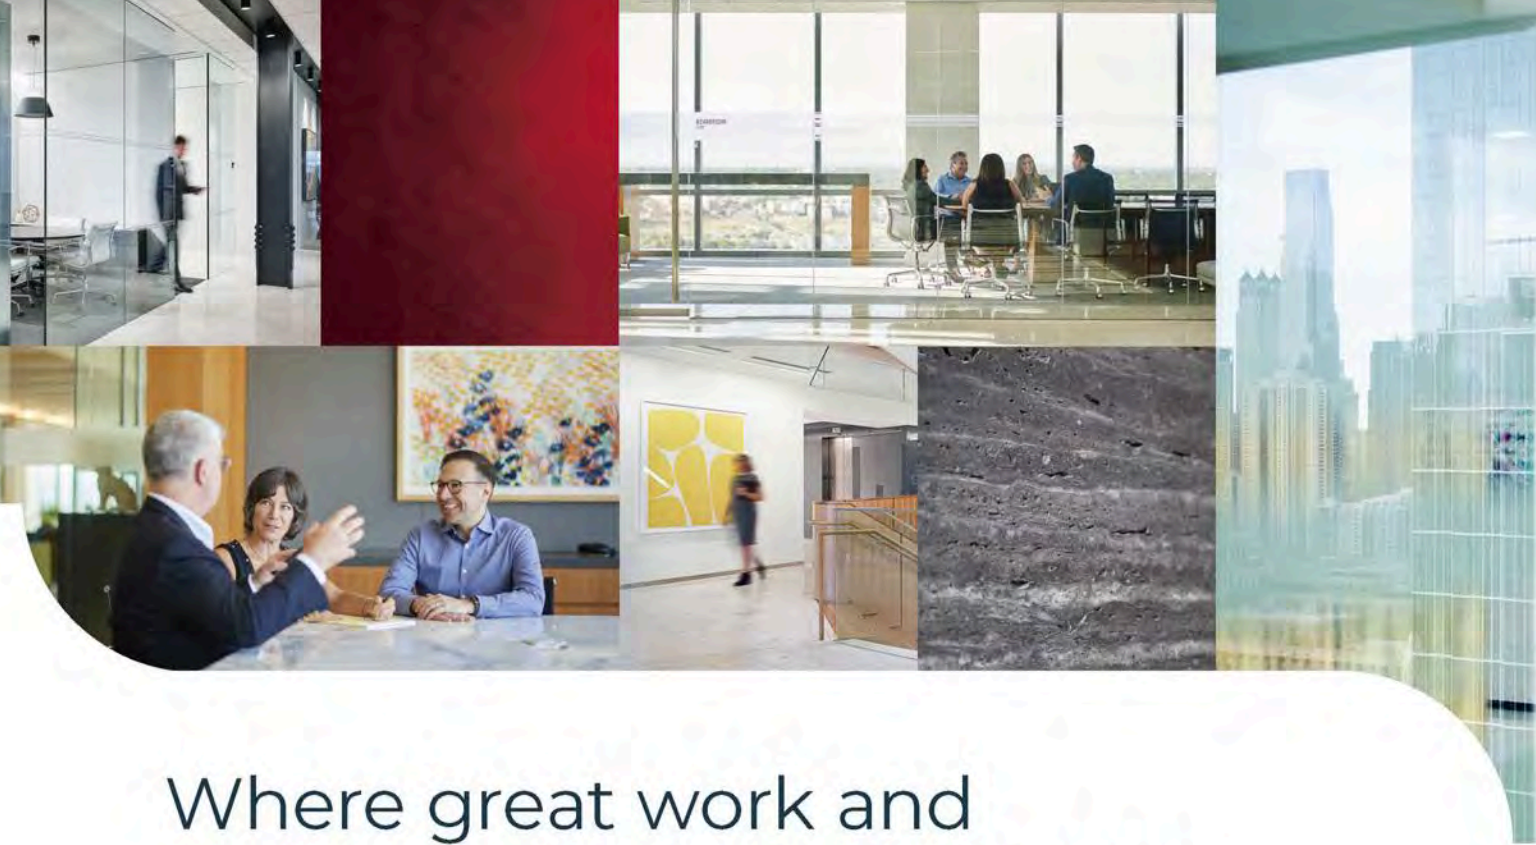

Building on over 100 years of trusted leadership in cardiovascular and brain health, by 2028 the AHA will drive breakthroughs and implement proven solutions in science, policy and care for healthier people and communities. The greatest discoveries in health must reach people where they are.

In every heart beats a story of triumph.

The story of a heart survivor is one of courage and strength, the will to survive and the tremendous capacity for hope. We honor our tens of thousands of heart survivors who are now living healthier lives.

We are proud to support the American Heart Association.

Where great work and great people come together.

Polsinelli proudly supports the **American Heart Association** because we believe action creates opportunity.

Women's Program

A heart program designed for women

Heart disease is the leading cause of death for women in the United States, affecting women of all ages. But it doesn't always look the same for everyone—heart disease often presents differently in women than men.

Our new Ascension Saint Thomas Heart Women's Program is designed with women in mind. Our female-led team of cardiologists and women's health specialists is dedicated to providing personalized, multidisciplinary care tailored specifically for every woman at every stage of life.
