CAREER CONVERSATIONS

STEAM Career Video Guide

After you watch the video, consider the questions below.

STEAM Career: _____

1. Would this be a career you'd be interested in? Why or why not?

2. What are some examples of using STEAM in this career that you heard on the video?

3. What do you think would be the best part of this job?

4. Can you think of other times this career would need to use science, technology, engineering, arts or math?

5. Brainstorm companies that need this type of job.
