## Camden

Survivor, 1st Grade

Camden is very active and loves gymnastics and swimming. She was diagnosed with multiple heart defects as a baby and had to have open-heart surgery at just three months old. Camden is grateful that the surgery made her live longer, and she wears her scar with pride. She even encourages her brothers to stay active by telling them to exercise and eat healthy. Camden is excited about the Kids Heart Challenge and American Heart Challenge so she can support kids just like her.

THE **KIDS HEART CHALLENGE** AND **AMERICAN HEART CHALLENGE** FUNDS RESEARCH THAT HELPS KIDS, LIKE **CAMDEN**, HAVE LONGER AND STRONGER LIVES. YOUR SUPPORT HELPS FAMILIES HAVE HOPE AND FOR THAT THEY ARE SO GRATEFUL.

TOGETHER, WE ARE CREATING A WORLD OF LONGER, HEALTHIER LIVES.
