

REGISTRATION

Is there a registration fee?

Nope. Instead, participants are encouraged to fundraise, so your impact is limitless (don't worry, we'll help!) and make a personal donation to support the Heart Walk.

Should I register ahead of time?

Absolutely! Registering online gives you access to all our great fundraising tools and keeps you updated on day of event info. It also lets us know how many people to expect on the day of the walk.

If I participated last year, how do I get my login information?

Oops. Forgot your login? Recover it here using the "Forgot Username or Password" link.

Can I participate in the Heart Walk if I'm not on a Team?

Sure, you can walk and fundraise individually. Every donation raised will help create big science! But hey, since you're already on board, maybe consider starting a team and asking friends, family and coworkers to join you to also be Heart Walk heroes. It's easy, and we'll walk you through each step.

FUNDRAISING

Is there a fundraising minimum?

We encourage every participant to make a difference by asking friends and family for donations and making a personal donation of \$25 or more, and there's no maximum either!

Do I still get my incentive awards?

- YES! All fundraising walkers earn points for our official reward center. The more funds you raise, the more points you earn to redeem for Heart Walk Hero gear. Once you reach a new fundraising milestone, additional points will automatically be added to your points balance. After redeeming your points, your balance will be adjusted accordingly. The total possible points to earn is 1,400. Points expire 6 weeks after the day of the Virtual Heart Walk.
